Dear [REDACTED]

STAT

I wish to express to you my appreciation for the briefing and tour given on 19 October 1960 to members of my staff by yourself, [REDACTED] These briefings and the tour through the plant assembly lines, with plant experts, allowing the group to observe first hand production facilities that contributed important information that can be gained no other way. All members of the group thought the tour highly successful.

STAT

For the members of the visiting group and myself thank you for a fine tour.

Sincerely,

STAT
